Stark Enterprises, headquartered in Cleveland, Ohio, is a premier, fully integrated real estate development firm specializing in acquisition, development, leasing, property management, construction, architectural design, landscape architecture, and marketing.

Founded in 1978 by Bob Stark while earning his J.D. at Case Western Reserve University, Stark Enterprises began with a single retail investment in Mayfield Heights, Ohio. This initial venture laid the foundation for what would become a dynamic and industry-leading real estate portfolio.

At Stark Enterprises, It's All About The Experience—from the spaces we create to the communities we shape.

Guided by a commitment to new urbanist design, sustainability, and economic viability, we develop cutting-edge

mixed-use environments that seamlessly blend work, life, and entertainment. Our in-house, vertically integrated approach allows us to manage every aspect of the development process, ensuring a seamless transition from concept to completion.

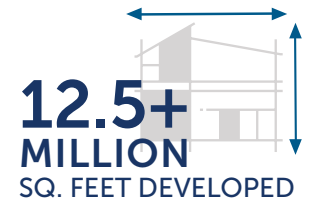

With over 45 years of experience, our multi-billion-dollar portfolio spans more than 12.5 million square feet, encompassing retail, entertainment, office, residential, hospitality, and student housing properties. Managing over \$1 billion in active development projects, we focus on long-term investment, delivering exceptional, well-maintained properties that redefine communities and enhance everyday experiences.

"The experience of The Community Core is one of splendor, honor, and pure enjoyment."
